

# “GOODIE BOX”

A fundraiser supporting educational programs.

**BRIEF HISTORY** - For more information visit [www.ralaweb.com](http://www.ralaweb.com)

Elbert Hubbard's early attempts to develop personal connections with and entice customers began while he was a salesperson for the Larkin Company. The "Goodie Box" was a comparable promotional sales strategy to the Larkin Company's "\$10 Combination Box" and was offered as a premium to customers. Even the slogan used to advertise it, "From Farm to Family", echoes the Larkin Company's "Factory to Family" motto. The Roycrofters' "Goodie Box", a wooden trunk filled with sausage, nuts, honey, home-made pecan patties and other wholesome foodstuffs from the Roycroft farms, was originally made of gumwood and copper and measured 9 fl x 23 x 12 fl inches.

The 2009/10 "Goodie Box", offered for raffle, has been designed and created, By Jack Bartlett, Roycroft Renaissance Master Artisan. This year's Goodie Box is made from Quarter-sawn oak.

Drawing will be Sunday, June 27th at 4:00pm at the Roycroft Summer Festival!  
You do not need to be present.
